

Map and Game

Map of Saskatchewan Archaeology

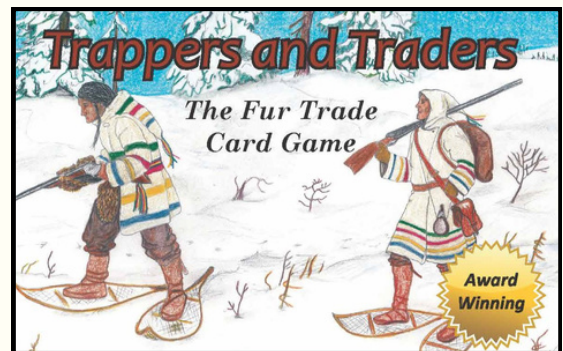

This portable map explores Saskatchewan's long human history, and how archaeology aids in our understanding of the past. With a detailed image of the province's documented archaeological sites and landscapes on one side, the opposite side describes the types of items commonly found and their context. (2nd Edition 2021)

Retail price \$5.00

Trappers and Traders: The Fur Trade Card Game

This interactive game contains 84 playing cards with English, French, Cree and Michif descriptions and four trading party checklists. Best suited for ages 8 and up, with 4 teams of 2 or more players, it is ideal for classroom play. A downloadable teacher's guide provides additional learning concepts. (Third printing 2024)

Retail price \$40.00 plus GST

Discounts on our products of up to 40% are available to giftshops and retail stores. We accept consignment arrangements and outright purchases.

Interested in our programming? We can bring archaeology to you with our ArchaeoCaravan. Our mobile activity centre hits the road to share exciting stories, hands-on activities, and the rich heritage of the land with communities all over the province.

Contact the Saskatchewan Archaeological Society for more information, or visit our website.
